

BELLA VISTA[®]

Custom Fully Frameless Sliding Shower Screen

If you think that you can't have the perfect shower screen to your bathroom because of a limited space, you're wrong. A fully frameless front and return sliding shower screen is perfect for a bathroom that has limited space, while they may also work well in larger bathrooms wherein they offer exceptional architectural design. All fittings are made based on your preferences while considering the size of your bathroom as well.

- Australian Standard Toughened Safety glass
- Rollers Adjustable Top Slider Patch fittings or polished Alloy Channel
- Rollers and Rail are 304 grade stainless steel brackets
- Fittings are Solid Brass/Chrome Plated
- Fully packaged with card board and transportable
Glass is polished on all external edges
