

Compliance Certificate

Bella Vista Bathware certifies that all safety glass sold complies with Australian Glass Standard AS/NZS 2208:1996.

Please Note: AS1288-2006, January 2006 Glazing code that you need to be aware of in regard to glass (refer to the Australian Standards - AS1288-2006 for the full code) which forms part of the Building Code of Australia. Inside the building code of Australia AS1288-2006 the reference for glass supplied by Bella vista is: AS/NZS 2208:1996.

Frameless Glass supplied by Bella Vista Bathware is 10mm thick and polished on all sides.

Semi Frameless Glass supplied by Bella Vista Bathware is 6mm thick and polished on all sides where exposed.

Identification markings are required by Australian Standards and are located in the far corner of each panel with our logo Building Group P/L or Bella Vista allowing you to identify our glass and the applicable standard. If any other logo is on the glass we must be contacted to confirm that the glass has been produced by a manufacturer associated with us.
