Stainless Steel Shower Grates

Bella Vista

→ SG-130-AU

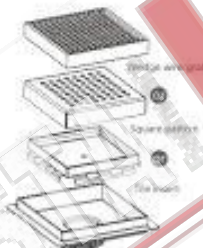

→ SG-130-SQ

→ SG-130-T

- Built in drain edge.
- Our unique 50mm curved design is ideal to suit the traditional Puddle flange.
- Connects to the standard Australian 50mm or 60mm and of the same time it can be pushed into a standard Puddle flange.
- Grate is removable for cleaning.
- Option of tile inset or Square design for commercial look.

Special wire grate

Square design

Tile inset

→ Against Wall Design and Handles

▲ If you are pulling the grate against wall, we have invented unique feature called Z Bar. It eliminates the hard work of trying to line up the grate to start tilting. Once the Z bar is on your tiling has just become a lot easier and quicker.

◀ Handles for removing the grate.

The Bella Vista Quality is backed by a 10 year Structural Warranty.
