

BELLA VISTA™

Single Swinging Bath Screen

Do you want to maximise the space in your Bathroom? Then an Over Bath Screen is perfect for you! You can have the luxury of both shower and bath without using too much space by placing the shower over the bath. An Over Bath Screen is more sophisticated and easy to clean than a shower curtain which also brings appeal to the family bathroom. Furthermore, these shower screens look amazing in any bathroom and are extremely practical.

Various types of Over Bath Screens are available to suit your requirements and budget.
